

PlanSource Partners With BambooHR

Strategic Partner

Together

BambooHR is the leading provider of tools that power the evolution of HR in small and medium businesses. BambooHR's cloud-based system is an intuitive, affordable way for companies to track and manage essential employee information in a personalized Human Resources Information System (HRIS). BambooHR's clients include innovators like SoundCloud, Foursquare, Freshbooks and many more.

As a part of the PlanSource suite of HR product offerings, BambooHR provides an intuitive, easy-to-use, centralized employee database to manage all aspects of HR. With near real time employee management and benefits administration integration, PlanSource and BambooHR can help streamline your HR experience for administrators and most importantly employees.

PlanSource is a technology company driven to create a better benefits and HR experience for employers and their employees. We offer flexible and intuitive software for benefits administration, insurance exchanges and human capital management. Our complete cloud-based technology helps employers with benefits shopping, enrollment, billing, compliance and administration.

With Benefits That Matter

Centralized Employee Database

BambooHR consolidates all of your employee information from all locations into a single view. You can then access, control, sort, analyze, and take action on the data instantly.

Accurate Reporting

With just a few clicks, you can export data into beautiful reports - whether you use the reports we've already set up, or ones you create. They'll all be automatically stored in the report library.

Easy to Use

Clients rave about how refreshingly simple and intuitive BambooHR's online HR software is. How it adapts to their changing needs. And how their employees and bosses love it too.

Receive Alerts

BambooHR ensures that your people won't fall through the cracks. How? By making sure you never miss another training deadline, license renewal, birthday or benefit date. Our alerts feature notify you.

Controlled Access

The great thing about BambooHR's software is that everyone can access the data they need - but only within the permissions you control. We make it easy to create user groups with different levels of access.
