

Software + Services = A Better Benefits Experience

At PlanSource, we believe that the best way to build a better benefits experience is by combining best-in-class software with a range of high-touch benefit services. This simple equation provides brokers and employers with a complete solution that can help busy HR departments work more efficiently and focus on strategic initiatives rather than tedious tactics.

Employee Communications

PlanSource gives you everything you need for communicating with your employees about benefits. With a team of communication experts, PlanSource helps you create a strategy that is tailored to the needs of your various employee groups. When employees have a better understanding of the benefits you offer them, they have a stronger connection with your company.

Why Employee Communications?

Better Education

Better benefits education is the precursor to better benefits decisions.

Higher Enrollment

By informing employees of the value of their benefits, participation will increase.

Improved Health

With better coverage, employee health and productivity will increase.
