

PlanSource QuickConnect Partner

ID Watchdog provides world-class identity theft protection and resolution services to the benefit marketplace. Their proprietary technology searches billions of data points to detect changes in the personal identity profiles of each of our members. Solutions allow individuals and organizations to protect themselves with a comprehensive, yet flexible, protection platform.

Together

As a QuickConnect partner, ID Watchdog offers the insight to protect clients from identity theft. Through PlanSource's modern and intuitive benefits administration solution, ID Watchdog offers high-risk transaction monitoring and fully managed resolution services to manage your case until it is completely restored.

PLANSOURCE®

PlanSource is a technology company driven to create a better benefits and HR experience for employers and their employees. We offer flexible and intuitive software for benefits administration, insurance exchanges and human capital management. Our complete cloud-based technology helps employers with benefits shopping, enrollment, billing, compliance and administration.

Identity Theft Protection

Why It's Important

2
seconds

Is how often a new identity is stolen, and causes an average loss of \$9,650.

330
hours

Is how long the average identity theft victim spends repairing the damage.

24/7 call center with a commitment to excellence.

100% identity theft resolution guarantee to give your employees peace of mind.

Employees Benefit

ID Watchdog guarantees that if you become a victim of identity fraud under their protection they will resolve with their 100% Identity Theft Guarantee.

Plans offer Single-bureau or Tri-bureau reporting and scores, credit score monitoring and freezes to keep you safe and informed.

Receive alerts for Facebook, LinkedIn, Instagram and Twitter to stay on top of potential cyberbullying and reputation-damaging items.

Comprehensive monitoring to search billions of data points including public records, payday loans and more to keep you informed of any potential risks.

Increase productivity at work with a peace of mind that you and your family's identity is safe, protected and monitored.
