

PlanSource QuickConnect Partner

tuition.io

Established in 2012, Tuition.io is the nation's first and most comprehensive employer-funded student loan repayment assistance program. Providing companies with assistance in designing a meaningful employee benefit: the means to confidently and securely deliver ongoing payments to employees' valid student loans. Tuition.io is helping companies like HP, Staples and Fidelity recruit, retain and engage their college-educated workforce.

Together

As a QuickConnect partner, Tuition.io helps employers provide an innovative benefit to their employees. Available through PlanSource's modern and intuitive benefits administration solution, Tuition.io increases employee engagement and retention by providing a program for employers to help reduce student loan debt and create more productive, happy employees.

PLANSOURCE®

PlanSource is a technology company driven to create a better benefits and HR experience for employers and their employees. The company works with nearly 10,000 companies and 3.5 million consumers, providing flexible and intuitive software and services for benefits administration and human capital management. By combining industry-leading software platform and a full suite of professional services, PlanSource provides companies of all sizes with a complete solution for benefits shopping, enrollment, billing, compliance and administration.

Student Loan Assistance

Why It's Important

Employees who feel valued are more likely to stay. Committed, talented employees can be your biggest competitive advantage.

Tuition.io's flexible program allows employers to co-brand and design a custom plan that can scale to any budget plan.

Visibility and reporting for 100% secure payment reconciliation directly to employees' student loan services, administered through an employer portal.

Two-thirds of the nation's student loan debt is held by people over age 30, and they hold the highest loan balances of all borrowers.

Improve recruitment by offering an innovative and attractive benefit to your employees.

Employees Benefit

Comprehensive student loan tools help employees navigate repayment and understand federal forgiveness programs.

ISO 27001 certified for highest level of information security and employee privacy.

Increase engagement and loyalty by offering a benefit that really helps employees.

Help employees reduce student loan payment delinquency by an average of 20%.
