

## Software + Services = A Better Benefits Experience

At PlanSource, we believe that the best way to build a better benefits experience is by combining best-in-class software with a range of high-touch benefit services. This simple equation provides brokers and employers with a complete solution that can help busy HR departments work more efficiently and focus on strategic initiatives rather than tedious tactics.

## Benefit Login Page

With our standard branded benefit login page both employers and brokers alike can provide a branded experience to login to the PlanSource benefit administration system. It's a 1-page website that provides easy access to product and plan information from any computer or mobile device.
