

My Benefits Accounts App

An FSA Can Help You Save 30% on out-of-pocket healthcare expenses.

Bringing technology to our clients and their participants is what we do at PlanSource and to make managing your reimbursement account easier, we are launching the My Benefits Accounts mobile app.

You'll be able to download this free application for use on any Apple product or Android device. Just search for PlanSource in the application store or scan the QR code below and you'll see our app.

Android

iTunes

If you have not yet registered, you can do so via the mobile app or online through the PlanSource Participant Portal

Once you download the My Benefits Accounts mobile app to your device, you will log in with the same username and password information that you would use when logging in through a computer to the PlanSource Participant Portal.

This app has several very cool features that you're going to love!

- Take a picture of your receipt and upload it through the site when we request substantiation of a purchase
- Check your balance
- Review recent transactions
- Obtain contact information for PlanSource when you need our help
- Submit an online claim for reimbursement

If you're able, take advantage of this free application and start using the My Benefits Accounts mobile app to make it easier to utilize and manage your reimbursement account.
