

PlanSource and Prudential

Building better benefits experiences together

PlanSource Boost

A groundbreaking program that provides organizations with industry-leading benefits technology and carrier API integrations that modernize the benefits experience for employees and HR teams. The Member Portal integration is one of the available Boost integrations through the PlanSource and Prudential partnership.

Member Portal Integration

On average, employees must track 100+ different passwords between their professional and personal life. By providing an automated login experience to Prudential's MyBenefits Portal, we help employees get where they need to go and have one less thing to worry about.

Prudential MyBenefits Portal

FROM THE PRUDENTIAL MEMBER PORTAL EMPLOYEES CAN:

- » Check status of evidence of insurability documents
- » View their summary of benefits
- » Access forms and materials related to their coverage
- » Find educational information regarding their benefits
- » Submit claims and track status including receiving email alerts when claims are paid

The Benefits of Our Integration

SEAMLESS ACCESS TO PRUDENTIAL'S PORTAL

Single sign-on from shopping experience to Prudential's portal in one click

FILE A CLAIM, CHECK CLAIM STATUS & MORE

Employees can file claims, check claim status and more without managing a separate login

INCREASES ENGAGEMENT

Allows consumers one convenient place to access benefits-related resources

Prudential, the Prudential logo, and the Rock symbol are service marks of Prudential Financial, Inc. and its related entities, registered in many jurisdictions worldwide.
