

Unlock the Full Potential of Your Benefits with PlanSource

Revolutionize your benefits management and engagement with PlanSource and break free from the limitations of HCM 'all in one' bundles. Empower your organization like never before.

BREAK FREE FROM 'ALL IN ONE' LIMITATIONS

HCM bundled solutions fall short in crucial areas like benefit administration, plan decision tools, support, and integration. They are also limited in solutions for ancillary functions like COBRA, FSA, Leave of Absence (LOA) billing and other wrap around services. Don't rely on external sourcing or your internal team when PlanSource offers scalability and eliminates unnecessary overhead costs and time.

CONTINUOUS PRODUCT INVESTMENT

Choose a benefit administration and engagement platform that prioritizes ongoing development and delivery to keep pace with your ever-changing business requirements. With PlanSource, you can invest in a solution that is dedicated to continuous improvement and ensures a dynamic experience for your organization.

ELEVATE THE USER EXPERIENCE

PlanSource bridges the gap with an engaging platform that facilitates informed benefits decisions. Enjoy personalized messaging and robust communications for an unparalleled user experience.

BREAK FREE FROM INTEGRATIONS LIMITATIONS

Seamlessly connect all your benefits partners with PlanSource's extensive prebuilt integrations, eliminating frustration and streamlining your experience.

CUSTOMIZATION WITHOUT LIMITS

Don't settle for limited benefit customization. PlanSource delivers extensive options and integrations to accommodate complex groups and plan designs.

Invest in your employees' benefits experience.
