PlanSource Boost
Find A Provider SSO
Building better benefits experiences through innovative technology and partnerships

PlanSource Boost

A groundbreaking program that provides organizations with industry-leading benefits technology and carrier API integrations that modernize the benefits experience for employees and HR teams. The find a provider single sign-on (SSO) integration is one of the available Boost integrations through the PlanSource Boost program.

Find A Provider SSO Integration

Discover and choose healthcare providers seamlessly with our Find a Provider SSO. This tool combines the convenience of single sign-on capabilities with the ability to search for and select healthcare providers in your network. Say goodbye to multiple logins and streamline your provider selection process for a smoother and more efficient healthcare experience.

THROUGH THE FIND A PROVIDER SSO, EMPLOYEES CAN:

» Enjoy a more user-friendly and efficient way to manage healthcare provider choices.

» Easily find and select healthcare providers without the hassle of multiple logins.

» Save time by eliminating the need for manual searches across different platforms.

» Minimize HR inquiries related to provider information, as employees can easily access it themselves.

The Benefits of Our Integration

REDUCED ADMINISTRATIVE BURDEN
Free HR teams from manual provider-related tasks, allowing them to focus on more strategic HR initiatives.

CENTRALIZED SEARCH ACCESS
Search for and select healthcare provider information in one central location for easy access and management.

EMPLOYEE EMPOWERMENT
Empower employees to make informed healthcare decisions, leading to better healthcare outcomes and satisfaction.
